SPEAKER: Chair recognizes Senator Cal Carsten.

SENATOR CARSTEN: Mr. President and Members of the Legislature. The only reason I offer this amendment to insert "active", some of our smaller districts, the boards are complaining that they have had a pretty rough time financially with the two thousand and I'm sure that if we go to the five, they're going to really be in trouble but in putting in the "active" here, we will be taking this out and this is the reason for the amendment.

SPEAKER: Do you all understand the amendment? Clerk will read the amendment again, please.

CLERK: Read amendment again.
